

# TVET PROGRAM IN PUBLIC AND GOVERNMENT AIDED SCHOOLS

SN	DISTRICT	Trades (RQF L3)	Trades(RQF L4&L5)
1	NYAGATARE	Building Construction	Masonry
		Wood Technology	Carpentry
		Manufacturing Technology	Welding
		Fashion Design	Tailoring
		Plumbing Technology	Plumbing
		Electrical Technolog	Industrial Electricity
		Automobile Technology	Automobile Engine Technology
2	RWAMAGANA	Building Construction	Masonry
		Agriculture	Crop Production
		Computer Systems and Architectur	Computer System Technology
		Fashion design	Tailoring
		Wood Technology	Carpentry
		Plumbing technology	Plumbing
		Electrical Technolog	Industrial Electricity
3	NGOMA		Networking
		Manufacturing Technology	Welding
		Software Development	Software Development
		Building Construction	Masonry
		Wood Technology	Carpentry
		Automobile Technology	Automobile Engine Technology
			Automobile Transmission Systems Technology
		Electrical Technology	Industrial Electricity
		Manufacturing Technology	Mechanical Production Technology
			Computer application
			Networking
			Computer System Technology
		Tourism	Tourism
		Forestry	Forestry
4	BUGESERA	Fashion Design	Tailoring
		Animal Health	Animal Health
		Agriculture	Crop Production
		Building Construction	Masonry
		Agriculture	Crop Production
		Manufacturing Technology	Welding
		Animal Health	Animal Health
		Electrical Technology	Industrial Electricity
		Renewable Energy	Solar Energy
		Land Surveying	Land Surveying
		Interior Design	Interior Design
		Networking and InternetTechnolo	Computer Application
		Fashion and design	Tailoring
		Wood Technology	Capentry
		Electronic and Telecommunication	Electronic services
		Agriculture	Crop Production

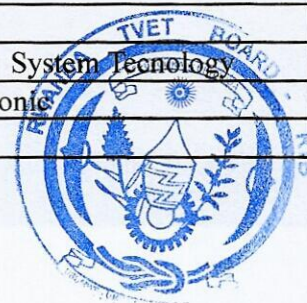

5	GATSIBO	Animal Health	Animal Health
		Food Processing	Food Processing
		Building Construction	Masonry
		Electrical Technology	Industrial Electricity
		Public workss	Road Construction
		Land Surveying	Land Surveying
		Fashion Design	Tailoring
		Manufacturing technology	Welding
		Wood Technology	Carpentry
		Leather Technology	Leather Works
		Computer Systems and Architectur	Computer Applications
		Software Development	Software Development
			Culinary Arts
		Networking and InternetTechnology	Networking
6	KAYONZA	Manufacturing technology	Welding
		Agriculture	Crop Production
		Electrical Technology	Industrial Electricity
		Building Construction	Masonry
		Plumbing technology	Plumbing
		Manufacturing Technology	Welding
		Fashion design	Tailoring
		Wood Technology	Carpentry
7	KIREHE	Building Construction	Masonry
		Plumbing Technology	Plumbing
		Fashion Design	Tailoring
		Wood Technology	Carpentry
		Electrical Technolog	Industrial Electricity
		Manufacturing Technology	Welding
		Computer Systems and Architectur	Computer Applications
		Software Development	Software Development
		Electrical Technology	Industrial Electricity
		Computer systems and architecture	Computer Application
		Automobile Technology	Automobile Engine Technology
		Agriculture	Crop Production
		Fashion Design	Tailoring
8	GASABO	Food and Beverages Operations	Culnary arts
		Food Processing	Food Processing
		Building Construction	Masonry
		Fashion Design	Tailoring
		Automobile Technology	Automobile Engine Technology
		Tourism	Food Processing
		Wood Technology	Tourism
		Computer Systems and Architectur	Carpentry
		Agriculture	Welding
			Computer System Technology
			Crop Production
		Electrical Technolog	Industrial Electricity
		Land Surveying	Land Surveying

		Public works	Road Construction
		Heavy Machinery	Heavy Machines Operation
			Automotive Electricity
			Electronic System
9	KICUKIRO	Leather Technology	Leather Works
		Food Processing	Fruits and milk processing
		Food and Beverage Operations	Culinary Arts
10	NYARUGENGE	Fashion Design	Tailoring
		Building Construction	Masonry
		Automobile Technology	Auto Engine
11	GAKENKE	Building Construction	Masonry
		Fashion Design	Tailoring
		Electrical Technolog	Industrial Electricity
		Wood Technology	Carpentry
		Agriculture	Crop Production
		Manufacturing technology	Welding
		Fashion Design	Tailoring
12	GICUMBI	Manufacturing Technology	Welding
		Fashion and Design	Tailoring
			Industrial Electricity
		Wood Technology	Welding
		Automobile Technology	Automobile Engine Technology
		Computer system and architecture	Computer Application
		Software Development	Software Development
		Networking and Internet technolog	Networking and Internet technology
			Accounting
		Building Construction	Masonry
		Electrical Technology	Industrial Electricity
			Accounting
		Plumbing Technology	Plubing
		Computer system architecture	Computer Application
		Public works	Road Construction
		Electronic and Telecommunication	Electronic Services
		Fashion design	Tailoring
		Agriculture	Crop produccion
13	RULINDO	Building Construction	Masonry
		Fashion design	Tailorig
		Food and Beverages Operations	Culinary Arts
		Building Construction	Masonry
		Agriculture	Crop productionn
		Plumbing Tehnology	Plumbing
		Electrical Technnology	Industrial Electricity
		Wood Technology	Carpentry
		Fashion design	Tailoring
		Mining Technology	
		Software Development	ICT
14	BURERA	Agriculture	Crop Production
		Building Construction	Masonry
		Wood tecchnology	Carpentry
		Automoblile tecnology	Automobile Transimission System Technology
			Auto Electricity and Electronic
		Wood Technology	Carpentry

		Food and Beverages Operations	Culinary Arts
		Fashion design	Tailoring
		Public works	Road Construction
		Plumbing Technology	Plumbing
		Electrical Technology	Industrial Electricity
15	MUSANZE	Building Construction	Masonry
		Public workss	Road Construction
		Plumbing Technology	Plumbing
		Wood Technology	Carpentry
		Food and Beverages Operations	Food and Beverage Services
		Front Office and house keeping op	Front Office
		Food Processing	Food Processing
		Manufacturing Technology	Welding
		Fashion Design	Tailoring
		Computer Systems and Architectur	Computer System Technology
		Wood Technology	Carpentry
		Networking and Internet Technology	Networking
		Automobile Technology	Automobile Engine Technology
		Electronics and Telecommunicatio	Electronics
		Food and Beverages Operations	Culinary Arts
		Electrical Technology	Industrial Electricity
16	NYANZA	Fashion Design	Tailoring
		Building Construction	Masonry
		Wood Technology	Carpentry
		Manufacturing Technology	Production Technology
			Welding
		Automobile Technology	Automobile Body Work Technology
			Automobile Engine Technology
			Automobile Transmission System Technology
			Auto Electricity and Electronics System Technology
		Plumbing Technology	Plumbing
		Computer Systems and Architectur	Computer System Technology
		Public workss	Road Construction
		Interior Design	Painting and Decoration
		Electronics and Telecommunicatio	Telecommunications
		Electrical Technology	Industrial Electricity
		Renewable Energy	Solar Energy
17	GISAGARA	Wood Technology	Carpentry
		Public workss	Road Construction
		Electrical Technology	Industrial Electricity
		Electronics and Telecommunicatio	Electronics Services
		Computer Systems and Architectur	Computer Applications
		Multimedia Production	Multimedia
		Fashion Design	Tailoring
		Building Construction	Masonry
		Plumbing Technology	Plumbing
		Building Construction	Masonry
		Software Development	Software Development
		Interior Design	Painting and Decoration

18	NYAMAGABE	Multimedia Production	Multimedia
		Computer Systems and Architecture	Computer Application
		Wood Technology	Carpentry
			Accounting
		Fashion Design	Tailoring
		Leather Technology	Leather Crafts
		Food and Beverages Operations	Culinary Arts
		Electrical Technology	Industrial Electricity
		Automobile Technology	Auto Engine Technology
			Auto Transmission & Control Systems Technology
19	HUYE	Manufacturing Technology	Welding
		Fashion Design	Tailoring
		Agriculture	Crop Production
		Building Construction	Masonry
		Food and Beverages Operations	Culinary Arts
		Wood Technology	Carpentry
		Manufacturing Technology	Welding
		Animal Health	Animal Health
		Food Processing	Food Processing
		Forestry	Forestry
		Electronic services	Electronic services
		Electrical Technology	Industrial Electricity
20	RUHANGO	Building Construction	Masonry
		Manufacturing Technology	Welding
		Fashion Design	Tailoring
		Electrical Technology	Industrial Electricity
		Wood Technology	Carpentry
		Agriculture	Crop Production
		Building Construction	Masonry
		Food and Beverages Operations	Culinary Arts
21	MUHANGA	Building Construction	Masonry
		Wood Technology	Carpentry
		Fashion design	Tailoring
		Electronics and Telecommunications	
		Computer systems and architecture	
			Accountancy
		Agriculture	Crop Production
		Animal Health	Animal Health
			Business Services
		Software Development	Computer Application
		Network and Internet Technology	Business Services
			Accounting
		Computer system and architecture	Computer System Technology
		Networking and Internet Technology	Networking
22	KAMUNVI	Music and Performing Arts	Music
		Computer Systems and Architecture	Computer Application
		Multimedia Production	Multimedia
		Wood Technology	Carpentry
		Building Construction	Masonry
		Land Surveying	Land Surveying

22	KAMUKUNDA	Software Development	Software Development
		Fashion Design	Tailoring
		Electrical Technology	Industrial Electricity
		Manufacturing technology	Welding
			Accounting
23	NYARUGURU	Building Construction	Masonry
		Fashion Design	Tailoring
		Electrical Technology	Industrial Electricity
		Plumbing Technology	Plumbing
		Wood Technology	Carpentry
		Electronics and Telecommunicatio	Electronics Services
		Multimedia Production	Computer Application
		Manufacturing Technology	Welding
		Crop Production	Agriculture
		Automobile Technology	Auto Engine Technology
24	RUBAVU	Building Construction	Masonry
		Automobile Technology	Automobile Engine Technology
		Software Development	Computer Application
		Electrical Technolog	Industrial Electricity
		Fashion design	Tailoring
		Plumbing Technology	Plumbing
		Manufacturing Technology	Welding
		Wood Technology	Carpentry
		Fine and plastic arts	Graphic arts
25	NYABIHU	Food and Beverages Operations	Culinary Arts
		Manufacturing Technology	Welding
		Fashion design	Tailoring
		Leather Technology	Leather craft
		Agriculture	Crop Production
		Building Construction	Masonry
		Wood Technology	Carpentry
		Electrical Technology	Industrial Electricity
		Renewable Energy	Solar Energy
26	RUSIZI	Building Construction	Masonry
		Electronics and Telecommunicatio	Electronic Services
		Electrical Technology	Industrial Electricity
		Accounting	Business Services
		Multimedia Production	Computer Application
		Computer Systems and Architectur	Computer System Technology
		Manufacturing Technology	Welding
		Food and Beverages Operations	Calinary Arts
		Wood Technology	Carpentry
		Plumbing Technology	Plumbing
		Fashion Design	Tailoring
		Networking and Internet	Networking
27	NGORORERO	Leather Technology	Leather Works
		Fashion design	Tailoring
		Agriculture	Crop Production
		Electrical Technology	Industrial Electricity
		Building Construction	Masonry
		Wood Technology	Carpentry
		Public works	Road Construction

		Software Development	Computer Application
28	RUTSIRO	Building Construction	Masonry
		Manufacturing Technology	Welding
		Plumbing Technology	Plumbing
		Fashion Design	Tailoring
		Electrical Technology	Industrial Electricity
		Computer Systems and Architecture	Computer Applications
			Accounting
		Software Development	Software Development
		Wood Technology	Carpentry
		Animal Health	Animal Health
		Automobile Technology	Automobile Engine Technology
		Agriculture	Crop Production
		Software Development	Computer Applications
			Software Development
29	KARONGI	Building Construction	Masonry
		Fashion Design	Tailoring
		Manufacturing Technology	Welding
		Food and Beverage Operations	Culinary Arts
		Computer Systems and Architecture	Computer System and Technology
		Leather Technology	Leather Works
		Automobile Technology	Automobile Engine Technology
		Water and Irrigation	
		Electrical Technology	Industrial Electricity
		Agriculture	Crop Production
30	NYAMASHEKE	Wood Technology	Carpentry
		Electrical Technology	Industrial Electricity
		Building Construction	Masonry
		Fashion Design	Tailoring
		Manufacturing Technology	Welding
		Fashion Design	Tailoring
		Food and Beverages Operations	Culinary Arts
		Automobile Technology	Automobile Transmission Control Systems
			Automobile Engine Technology
		Food and Beverages Operations	Culinary Arts
